

## **TECHNICAL AND HOSPITALITY RIDER**

for DJ performances

### **STAGE**

- Solid table with at least 200cm × 80cm surface and a height of 90-95cm
- 1x Pioneer DJM-900 (NXS/NXS2) mixer
- 2x Pioneer CDJ-2000 (NXS/NXS2) player OR 1x Pioneer DDJ-RX2 DJ console
- Equipment linked via network cables if applicable
- Good quality stereo monitor speakers (L/R), must be controllable from the mixer
- At least 120cm space behind the table
- Method for projecting or displaying artist's visuals

### **BACKSTAGE AND GUESTLIST**

Organizer must provide a separated green room area for Artist. Organizer is to arrange that upon arrival of Artist the backstage green room area is cleaned. Green room equipment and catering are to be discussed separately. Artist may have up to five (5) persons on his guestlist. Organizer provides free tickets (VIP / highest tier) with backstage admission for people included on the guestlist.

### **TRAVEL AND ACCOMODATION**

Organizer must provide a way of transfer for Artist including but not limited to airport to hotel and hotel to venue, both directions, if applicable. Hotel and flight accomodation details (if applicable) are subject to negotiation and should be discussed separately.

**IF THE TECHNICAL AND HOSPITALITY RIDER IS NOT FULLILLED UPON ARRIVAL AT THE VENUE, ARTIST IS ENTITLED TO CANCEL THE PERFORMANCE!**

Artist thanks Organizer and all involved technical personnel for reading and acknowledging this rider.
