5	Vocoder	6.3mm jack female

## OTHER OUTPUTS

Channel #	Output description	Connection
VJ	Video signal	HDMI Type A female

## BACKSTAGE AND GUESTLIST

Organizer must provide a separated, lockable green room area for Artist that is off-limits to venue attendees and qualifies in size for storing of Artist's equipment. Organizer is to arrange that upon arrival of Artist the backstage green room area is cleaned. Green room equipment and catering are to be discussed separately. Artist may have up to five (5) persons on his guestlist. Organizer provides free tickets (VIP / highest tier) with backstage admission for people included on the guestlist.

## SOUND CHECK

Sound check must be performed prior to the show, before doors opening. Only Artist personnel, venue staff, and event staff are permitted in the venue during the sound check. Sound check shall not be cut to length, and Organizer is fully responsible for the allocation of enough time to conduct the sound check. Changes to the stage after sound check is not allowed.

## **TRAVEL AND ACCOMODATION**

Organizer must provide a way of transfer for Artist including but not limited to airport to hotel and hotel to venue, both directions, if applicable. Hotel and flight accomodation details (if applicable) are subject to negotiation and should be discussed separately.

**IF THE TECHNICAL AND HOSPITALITY RIDER IS NOT FULLFILLED UPON ARRIVAL AT THE VENUE, ARTIST IS ENTITLED TO CANCEL THE PERFORMANCE!**

Artist thanks Organizer and all involved technical personnel for reading and acknowledging this rider.
